

Summer RAP and Fun Friday

Lower School
Ages 5-9
June 28-August 5
1.00-4.00p (M-Th only)

Middle/Upper School
Ages 10-17
June 28-August 5
1.00-4.00p (M-Th only)

CLU's Relationship Activity Program (RAP) is designed for elementary and middle/upper school students. We focus on relationship building with peers and adults in a context of purposefully planned and fun summertime activities.

This summer we are offering a six week program that alternates cooking and beach activities. Cooking activities are weeks 1, 3, and 5, and beach activities are weeks 2,4, and 6. Come join the fun.

Summer RAP is scheduled from 1.00-4.00p, Monday-Thursday. On Fun Fridays, grab a sack lunch and join us as we venture to water parks, Catalina, and the zoo, to name a few. Fun Fridays are 9-4. We require that a minimum of 6 students be enrolled at the start of the program. We offer this program in conjunction with Friendship Circle.

Summer Day Camp - Middle/Upper School
Join Us for 2 Weeks of Fun and Friends!
August 9-19
9.00a-4.00p (M-Th)

Modeled on RAP, Summer Day Camp at The Center is all about having a good time and making friends. We build our program around your interests and plan activities that let you explore the world outside of school. Get together with a small group of friends and Center staff. Experience the fun of sharing your world with others. Meet at The Center. No prior camp experience necessary! We require that a minimum of 6 students be enrolled at the start of the program.

First Steps Overnight Camp - Middle/Upper School
Pack Your Camp Gear for Tons of Fun!
August 28-30
4 days/3 nights

Enjoy an exciting mix of adventures in the great outdoors. Expand your horizons, grow and make lasting friendships. We will have plenty of high-interest indoor and outdoor social activities to add to the fun, with opportunities for parents, staff and students to participate together. No prior camp experience necessary! We require that a minimum of 6 students be enrolled at the start of the program.

Academic Programs

CLU offers students in grades 3 through 12 a unique summer school program. This thoughtfully planned, therapeutic environment is designed to enhance both academic success and social relationship learning, and to provide a bridge to the coming school year.

Our low staff/student ratio is ideally suited to providing the close supervision that is needed for those having attention issues, learning disabilities, Asperger's Syndrome, bipolar disorder or other learning and adjustment concerns.

Lower/Middle School Summer Program June 28-August 5 9.00a-1.00p

Our summer program for grades 3 through 8 emphasizes the practice of core academic skills of reading, writing and math, based on State of California standards. Assignments are scaled to the learning needs of each student.

Organization, time management and goal setting are essential components of the program. With the help of staff, each student plots an individual CLU Directions® plan as they prepare for the day and the week. Students work in one-hour segments on reading and writing, followed by a lunch break. The day concludes with math practice.

Upper School Summer Program June 28-August 5 9.00a-1.00p

Our summer online program has been created for college bound high school students with specific learning disabilities, as well as those who are best served in a small, highly personalized and structured setting. Each day, students practice independent study habits with a teacher.*

Given the pace and rigour of the online content, students are limited to a maximum of two (2) courses during the summer.

*Two credentialed teachers monitor student progress: an online, credentialed instructor and an in-class CLU credentialed teacher who guides the student using the CLU Directions® (for time management, goal setting, etc.) for up to 1 hour a day. If more intensive assistance or remediation is needed, tutoring is available for an additional fee.

Upper Summer School Course Offerings **

English	Math	Social Studies
English 1-4	Algebra Geometry	World History US History Government Economics

** Textbooks and materials are not included.

One-to-One Tutorial Support

By appointment.

CLU offers individual tutoring for those students enrolled in college level or district sponsored summer classes.

SAT/ACT Warm Up

By appointment.

CLU offers two-for-one or small group SAT/ACT warm up sessions for students with learning disabilities. Previews the basics of reading comprehension, writing and math.

"Building Confidence" for the new school year

By appointment.

This two-for-one "preview" of the fall curriculum gives students a heads-up leading into the first six weeks of school. Bring a friend in August for three one-hour warm-up sessions in reading, writing and math. Build confidence as you take an early look at new concepts.
